

"Bringing People & Business Together"

"Specialists in procurement and supply chain resourcing"

Supply Chain Selection is a specialist resource consultancy dedicated to the procurement and supply chain sector. From our head office in London, our team of experienced recruitment professionals look after the recruitment needs of clients throughout the UK and Europe. Permanent or interim, a single hire or a complete team, our deep knowledge of this sector coupled with access to arguably the best qualified and extensive candidate pool around means we can respond quickly, accurately and efficiently.

We provide procurement specialists to clients in many sectors including

- Banking and finance
- Information technology and telecommunications
- Energy and utilities
- Public sector
- Retail and distribution
- Manufacturing
- Consultancy services

We offer integrated recruitment services by means of

- Search and selection
- Contingency permanent recruitment
- Interim placement
- Managed services

Supply Chain Selection is a niche recruitment company which has extensive experience of specialist and senior level professionals with some of the world's leading organizations.
